• INTRODUCTION •

In continuing tradition, the West Palm Beach Fishing Club is once again taking its final excursion of the year to beautiful Gasparilla Island. Outing participants will enjoy a variety of fishing and non-fishing activities that are sure to be fun, adventurous and relaxing.

October is a great redfish and trout month. For many years club members have found good numbers of redfish in Bull Bay and Turtle Bay, near Pine Island and throughout

Gasparilla Sound. Many other varieties of inshore gamefish will also be available in the nearby waters of Charlotte Harbor and Pine Island Sound. A small jig or swimming plug is rarely turned down.

Tarpon and grouper sometimes provide good action in Boca Grande Pass. Roving schools of Spanish mackerel have been plentiful in past years along the beaches and outside area passes. Those who prefer to fish offshore will be likely to tug on grouper, cobia and kingfish if you have some good GPS numbers. Fishing the many channel markers inside Charlotte Harbor is another excellent way to catch a variety of fish like snapper, grouper, cobia, flounder and tripletail.

There are plenty of activities and sights to see on the island. The resort is conveniently located off the northern tip of Gasparilla Island, just inside Gasparilla Pass. Boca Grande North is a beautifully maintained condominium complex with units overlooking both the Gulf of Mexico and Gasparilla Sound. The units are two bedroom suites with a full kitchen, washer/dryer, two full bathrooms, screened-in sun porch, cable TV and much more.

Limited dockage for boats of all sizes is available at Boca Grande North. Trailer storage is included in our package and is situated on site. Overflow dockage is available at a 15% discount at *Uncle Henry's Marina* (just south of Boca Grande North complex) - Ph. (941) 964-0154. Uncle Henry's also has a boat ramp and is available for use for an in & out fee of \$10.00. Be sure to tell Paul, the dockmaster, you are a WPBFC member to receive a discounted rate on launching and overnight docking fees. Also, a public boat ramp is located just before the Gasparilla Island toll bridge.

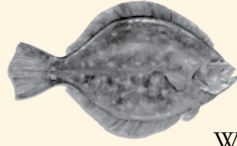

Please note: There is a toll bridge when entering the island. The price is \$6.00 per vehicle plus an additional \$5.50 per axle for boat trailers. For additional outing information call Joella Callaway at the WPBFC, (561) 832-6780.

• PACKAGE & FEES •

The Club has a wonderful relationship with the folks at Boca Grande North and we have enjoyed favorable accommodation rates for many years. Our WPBFC outing package includes: five days/four nights in a two bedroom condominium. Units have either a Gulf view or Gasparilla Sound view. **The condo rental fee is \$475 (4 nights).** Some 'preferred' or upgraded units will rent for \$575 for the 4 nights. Additional charges

include a reservation & clean up fee of \$109 for each unit. Each condominium unit can sleep up to six adults if you utilize the hide-a-bed couch. Boca Grande North accepts checks, cash and most major credit cards for room payment. Our arrival date is Wednesday, October 16th and departure is Sunday, October 20th. Extra room nights can be purchased for \$55.00 per night...if you can take the time off, we suggest you take advantage of this! **Because all the boat slips at Boca Grande North are privately owned, the resort charges a dockage fee of \$25 per day, which includes on-site boat trailer storage.** Please note, this is a separate charge from the room rental fee. Boca Grande North requests that members reserve only one boat slip per unit to allow maximum availability to all participants. If you should need more than one slip, you can call back just prior to the outing to see if another slip is available for rental. Also, if you are going to store your boat trailer on-site please pick up a registration tag for your trailer in the front office. Overflow dockage is available at nearby Uncle Henry's Marina (see details in introduction above).

• RESERVATIONS •

To make your reservation, call Boca Grande North at (800) 962-3314, ext. 4. We suggest you speak with Dale, our current contact person at the facility. Be sure to tell her you are a WPBFC member.
