

• Outing Introduction •

The West Palm Beach Fishing Club invites you to join us on our annual trek north to the **Dockside Inn & Resort** in Ft. Pierce. This wonderful facility, located on the south side of the Ft. Pierce Inlet, has all the amenities required for a club outing. Along with accommodations the site boasts plenty of dockage, two pools, onsite trailer storage, an onsite restaurant, great waterfront gathering & grilling areas, and a bait & tackle shop. Restaurants, shops and grocery stores are all within walking distance. The Dockside Inn continues to be a great summer getaway spot for a long family weekend. Once again, we've received an excellent room rate. The facility is ideal for both inshore and offshore anglers since it is conveniently located right on the inlet. The docks can accommodate boats up to 35'. This location is also great for club members without a boat as there are plenty of areas to fish from afoot. Club member **Capt. Barry Brimacomb** will serve as the outing coordinator. Members should make reservations directly with the Dockside at 800-286-1745 (be sure to tell them you're with the WPBFC). You can visit their site online at www.docksideinn.com. We are looking forward to a great time and encourage you to participate!
